◀ Abdullah F.Shaafal

ALHMDANIA DIST. JEDDAH, SAUDI ARABIA
PHONE : +966-544410874
E-MAIL : eng.Abdullahshafaal@gmail.com

OBJECTIVE

◀ I am seeking a job that fulfills my aspiration to play a leading role in information technology. I plan to apply my knowledge and skills in my work field and hence help promote methods and means that would make an effective use of my experience in the field.

EDUCATION

◀ **KING ABDULAZIZ UNIVERSITY**

(BACELOR OF SIENCE IN INFORMATION TECHNOLOGY(IT)) (2009 – 2015)

TRAINING

◀ **KING ABDULAZIZ UNIVERSITY**

TRAINING PROGRAM WITH SAUDI AIRLINES COMPANY FOR 3 MONTHS IN (IT DEPARTMENT). (INFFRASTRUCCTURE, CHANGE MANGMENT, PROBLEM MANGMENT AND MANY OTHERS).

LANGUAGES

◀ *Arabic*: My native language.

◀ *English*: Capable of communicating my ideas clearly through written and spoken English, and so it goes for reading and listening.

PERSONALITY CHARACTER

◀ *Communication*: Able to exchange ideas while focusing at the main point of the discussion all along. I can also comprehend to the expressions of troubled unspecialized customers, and respond accordingly.
◀ *Leadership*: Always been able to lead the team, facilitate, coordinate, and organize teamwork specifically customized for a given task.
◀ *Teamwork*: Have always been an effective member of any team I have associated with, charging up their enthusiasm, and motivate them to observe integrity and timeliness at every stage of the assigned task.
◀ *Problem Solving*: I can trace back any given technical issue down to its root, tracking systematic faults, and fix them.
◀ *Self-Development*: Always eager to enhance and update my knowledge and skills to the next level by chasing higher standards and learning new tricks, enabling me to accomplish goals with more efficient new tools
◀ *Facilitation*: Able to sketch a plan with multiple alternative paths, and keep the work organized as per the necessity of the task nature calls to.

EXPERIENCE

- Working in king abdulaziz medical city in king saud bin abdulaziz university as programmer analyst, 2015 – present.
- Worked in zahed terc as system administrator.
- Worked in soom for oil as it officer.
- Worked with ddb company as promoter three one month.
- Worked with many companies (MACDONALD- MUNCH- ALDO- LIFESTYLE) for two years as a part time.
- Woked in al-haje for 7 years.

RESEARCH AND DEVELOPMENT

- Completed my undergraduate studies at the faculty of information technology in king abdulaziz university, and awarded my bachelor degree of science. My graduation thesis was entitled "electronic online lunch meal system".

- Created and designed college of applied medical sciences (cams) website in king saud bin abdulaziz university for health sciences (ksau-hs). With the team.

- Created "cams request control system". This web application was designed to streamline the maintenance orders to the contracting company.

- Created a cams ksau-hs database. The purpose of this project was to develop a database which will help organize the data to be used at various tasks, which will save time, effort, and increasing consistency, to have accurate results and improving data integrity.

Hobbies & INTERESTS

- web designer.
- web developer.
- Database.
- Sports: physical activity is a crucial part of a lifestyle for a successful person; it teaches coordination, team-work, persistence. Sports that I enjoy practicing are football, volley ball, and basketball.
- Movies.
- Technology.

Dean Of CAMS-J

Dr. Ali AlShareef

E-Learning Supervisor

Engr.Majid AlGhamdi

To Whom It May Concern

It is a great pleasure to write this letter of recommendation on behalf of **Abdullah Shaafal**. I have known **Abdullah** from DEC 2015 to 23 OCT 2017 when he worked in my department as Computer Lap Assistant.

Abdullah Shaafal had proved to adapt quickly to work environments and stand out among his colleagues. As a Web Developer he developed more than 5 applications. With his excellent programming skills and communication skills. He is committed to his work and would deliver positively even before deadlines.

Working under pressure is an attribute most common with **Abdullah**. When things need to be done at the eleventh hour, **Abdullah** is just the perfect fit for the job. He is a practicable person that relates theories to real life situation. **Abdullah** is a professional at what he does, with the absolute objective of recording success.

I have no reservations in recommending him for the post of web developer in your organization, as **Abdullah** would be a breakthrough for any organization.

I can be reached at any time through my phone number and/or email address if you seek any further clarifications on his skills.

Sincerely,
Emad Othman Khawaja
programmer analyst
